

WELCOME to Piraeus WELCOME to our restaurant!!

The perfect choice for breakfast, lunch or dinner.

Porto Grill is a two - storey restaurant situated in the heart of Piraeus' port, inside one of the most beautiful old buildings of the city (from the early 1900`s), which has been respectfully and elegantly restored.

As you enter our place you are welcomed by a magnificent setting, a delightful marriage of antique stone walls and the luxuries of modernity. That's indeed why our restaurant is the favorite hangout place for travelers coming from both the port and the train station, either people working and leaving in Piraeus.

The menu offers a wide variety of excellent traditional Greek dishes, along with fine local wines and deserts. All our products are fresh and the dishes have the warmth of home-made food. As suits such a popular restaurant, the staff brilliantly accomplishes for the high quality of the cooking, being always willing to exchange some kind words with our customers.

Our friendly and pleasant waiters will make sure you enjoy your meal the best way possible, while understanding your need for both relaxation and comfort. Porto Grill has been awarded with the Certificate of Excellence by TripAdvisor for 2018 - 2019 for the consistent achievement of high ratings from travelers. Our restaurant's hall is fully equipped, as well as ideal for business lunches, events or group meals.
